Riesling Down Under

In case you haven't been paying attention, we're knee-deep into the Summer of Riesling. This event explores Australia's Riesling mecca, the Clare Valley. Our special guest is Colin McBryde, the bad-boy, PhD-wielding winemaker at Wine by Some Young Punks, Misfits Wine Co. and Adelina Wines. Enjoy bone-dry "The Golem" from Misfit and somewhat sweet "Monsters, Monsters Attack!" from Some Young Punks. Don't let the silly names fool you; these are serious Rieslings showcasing the terroir of Clare.
